December 2018

Dear Parents and Students of the Class of 2023:

The new year brings many new experiences. For eighth graders anticipating attending Wheeling High School in August of 2019, the new year brings us to the planning and registration for entry into high school. To formally welcome you to the school and the course selection process, the faculty and staff of Wheeling High School would like to invite you to an informational meeting on **Tuesday, January 15, 2019 from 5:00 to 9:00 p.m.**

The agenda for the evening is as follows:

5:00pm-9:00pm: Student ID pictures taken in the south fieldhouse. All students **MUST** take an ID picture.

6:15pm-6:45pm: Activity fair in the South Gym

7:00pm-7:15pm: Principal Cook Welcome in the Main Gym

7:30pm-9:00pm: Tour of WHS exploring various elective options and time to meet with WHS Administration and School Counselors

Students need to bring the course selection card they received during the Wheeling High School presentations at their current school or the one in this mailing. These cards should include the student's elective choices for the 2019-2020 school year. Elective courses should be selected based off of the student's career pathway interest. For further information regarding career pathways at Wheeling High School, please review the following link
<http://www.d214.org/academics/academic-handbook/>

Attached in this letter are the elective options available to freshmen. Please ensure that the student's name is written clearly at the top of the course selection sheet. These sheets will be collected in the cafeteria throughout the evening.

Please note, students will be placed in core content classes (Math, Science, Social Studies, English) based off of PSAT scores, current teacher recommendations, and collaboration between the middle and high schools. PSAT scores will be distributed at a later date.

We are looking forward to meeting our future **WILDCATS** and their families!

Sincerely,

Ms. Angela Ginnan
Associate Principal

Discover your future.
