Dear D214 parents and students,

Welcome to the 2019 District 214 College Fair Program. We hope that the information you obtain at the D214 College Fair will be helpful in your college planning.

Some colleges that have participated in previous college night programs are not present this year due either to other commitments or budgeting restrictions. Through requests from both parents and students, new names have been added to the list of participating colleges. The institutions listed on the following pages represent colleges of a variety of types from various parts of the country and around the world.

The college representatives are prepared to discuss admission requirements and procedures, curriculum offerings, scholarships, financial aid information, housing options, and programs for advanced study.

Once you have had the opportunity to look over the information and material you receive, you may have further questions. Please feel free to contact your high school's college counselor for clarification or additional information.

Register for the D214 College Fair With Strivefair.com

While the D214 College Fair is free, students should pre-register. Here are the registration steps:

- Go to www.strivefair.com
- When asked which event you are attending, select "04/09/19 - District 214 IRCF". The fairs are arranged by date.
- Complete the student registration form and click "Sign Up." Note that certain questions are optional and do not need to be answered, (GPA, test scores, race, etc.)
- Once registration is complete you will receive a barcode by text and/or email. A reminder email and/or text with the barcode is sent again two hours before the fair.

How long does registration take? Only a minute or two.

Does it cost anything? No, it's free.

What if I make a mistake? Simply register again. Go to Strivefair.com and fill out the the form a second time. When you receive a second barcode, delete the old barcode and use the new one.

What happens next? At the college fair, colleges will scan your barcode to get your contact information. In return, you will receive the college representative's contact information and additional material about the schools that interest you.

What if I don't have a smartphone or my phone is cracked? Register at Strivefair.com on a computer or iPad. Once you receive the barcode and ID number, you can write down their ID number. Colleges will take the ID number in place of the bar code.
